### IBM Cloud Account:

The screenshot displays the IBM Cloud Dashboard in a web browser. The browser's address bar shows 'cloud.ibm.com'. The dashboard header includes the IBM Cloud logo, a search bar, and navigation links for 'Catalog', 'Manage', and 'SABARISH T's Account'. The main content area is titled 'Dashboard' and features a 'Create resource' button. Below this, a 'For you' section offers five quick-start options: 'Build' (purple box), 'Monitor your resources' (5 min), 'Create and deploy an application' (5 min), 'Get started with machine learning + Watson Studio' (10 min), and 'Build with Watson' (3 min). The bottom of the dashboard includes a 'User access' section with a 'Manage users' link, a 'News' section with a 'View all' link, and a 'Planned maintenance' section. The Windows taskbar at the bottom shows the time as 09:22 PM on 29-10-2022.
